RE: COVID Guidelines to using the facility for the 2020 – 2021 Season

The 2020 – 2021 Fieldhouse Recreation Season is approaching and as we prepare for this we want to ensure the health and safety of everyone; athletes, coaches, volunteers, staff, parents, fans, etc. We require a representative from each user group to sign the following form to state that they have read and agree to abide by the rules and regulations that have been put out during this time.

Initially we had some black out dates because of large events as we navigate through this season these dates may come available pending on the regulations of AHS and the Alberta Government regarding larger gatherings. If you are interested in booking during any of the previously listed black out dates please feel free to contact us about a month prior as we should know at that time whether or not a large scale event can happen or not.

We encourage all participants to show up ready for their activity to reduce the need for change rooms as change rooms/locker rooms are not available. If your group has any items stored in Dressing Room 1 please contact the Stampede office, as we may be able to provide you with your own area to store items instead of a shared area.

We will require each user group to submit to us a risk mitigation plan; a set of protocols that they will have in place for their group should someone become ill. You will also be required to keep an attendance log to assist with contact tracing if needed. To assist you with this we urge you to go to <https://www.alberta.ca/guidance-documents.aspx> and <https://www.alberta.ca/covid-19-information.aspx>.

Please email the attached COVID Guideline form to Tricia Fiddler at the Medicine Hat Exhibition and Stampede Office at tricia.r@mhstampede.com, **if you require assistance, please contact 403-527-1234.**

We look forward to the season!

Sincerely,

The Medicine Hat Exhibition and Stampede Company Ltd.

In addition to the Medicine Hat Exhibition and Stampede General Regulations of Use the Stampede is implementing the following regulations that each organization/group must follow during the 2020-2021 Season.

1. To support public health contact tracing each group must keep a record of attendance and a contact number and keep this information for two weeks. The Medicine Hat Exhibition and Stampede reserves the right to ask for this information at anytime to assist with contact tracing should an outbreak occur.
2. Arrive dressed and ready to go. Change rooms/locker rooms are not available.
3. Each group must designate a person to oversee activities to ensure public health guidelines are followed.
4. Anyone with symptoms of COVID-19, with a history of international travel in the last 14 days or with close contact with a confirmed case of COVID-19 in the past 14 days MUST remain home.
5. Participants must not arrive more than 5 – 10 minutes prior to their time slot and will have 10 minutes after to gather their gear and leave the facility.
6. Participants must use their designated entrance/exit for their assigned field.

I _____ on this day _____ agree to ensure that my organization/group will abide by the regulations as stated on this form and anything that Alberta Health Services and the Alberta Government has stated in their guidance documents at <https://www.alberta.ca/guidance-documents.aspx> and <https://www.alberta.ca/covid-19-information.aspx>.
