# Farm Safety Week

## Course Details:

### Emergency First Aid - CPR A & AED

This course is offered on Wednesday, January 17 **OR** Saturday, January 20

8:00 AM—4:30 PM - LOCATION: MHES Fireside Room

Course information: In this one day course, participants will learn to recognize and provide interventions for life-threatening emergencies until medical aid arrives. Topics include: CPR and choking for adults, shock and unconsciousness, severe bleeding, head & spinal injuries, major medical conditions, and AED training and certification.

Cost to register: \$25.00 (This course is a value of \$150/person that we are able to offer for \$25/person through the Alberta Association of Agricultural Societies Farm Safety Grant.)

A light lunch will be provided for this course as there will be about a 30 minute break.

### UTV Training

This course is offered on Thursday, January 18

8:00 AM—4:30 PM - LOCATION: MHES Fireside Room

Course information: The UTV Student driving courses are nationally recognized programs developed by the Canada Safety Council, for the benefit of both industrial and recreational operators. All students must provide their own mechanically sound UTV and appropriate riding gear. Participants must be prepared for all environment conditions and therefore dressed appropriately.

Cost to register: \$30.00 (This course is a value of \$195/person that we are able to offer for \$30/person through the Alberta Association of Agricultural Societies Farm Safety Grant.)

A light lunch will be provided for this course as there will be about a 30 minute break.

### Fire Extinguisher Training

This course is offered on Friday, January 19 in the morning and afternoon

9:00 AM—12:00 PM—LOCATION: MHES Fireside Room **OR** 1:00 PM—4:00 PM—

LOCATION: MHES Fireside Room

Course information: This training assists in identifying and reducing fire risks in the workplace. When an individual knows how to initiate appropriate actions during a fire and recognize individual responsibilities to report fire-related hazards, the risks to people, land, animals, and workplace are reduced. This training is based on a live fire where the course candidate is faced with changing weather and wind conditions.

Cost to register: \$20.00 (This course is a value of \$135/person that we are able to offer for \$20/person through the Alberta Association of Agricultural Societies Farm Safety Grant.)
