Entry fees must be paid in full before you Show. We are disappointed that the link for payment did not work this year. If you are needing to pay by Credit card please contact the Stampede Office, 403-527-1234, if you can speak to Natasha, although any of the Office staff will be able to help you. Please give the names of the Horses and the Riders that you will be paying for.

Once your entry has been submitted, we will receive it and process it into the data base, you will receive an email that has a copy of your entry form an account statement. There is an error that we are unable to correct at this time, the tack stall fee was missed, please just check the number of horse stalls including a tack stalls you need, and we will get the clean out fee straighten out when you check in.

You may email questions to horseshow@mhstampede.com this email will be directed to the Chairman and Entry Secretary.

ENTRY GATE: Please follow the below map to enter through the Cuyler Road SE gates, the main gates are locked as the COVID Vaccination Clinic located on the Grounds. To help those attend the Vaccination center, from entering the horse area, the gates from 26th Street are not accessible for Trailer.

1. From the TransCanada Hwy Turn north onto Dunmore Road
 - a. Turn right onto Carry Drive S.E. intersection, (Original Joe's is on your right) Stay on Carry Drive SE, for 2.1 km,
 - b. Turn Left on to Cuyler Road, the East Stampede Gate will be open
Patterson Armory (Southern Alberta Light Horse Drill Hall and Museum) will be on your right.

SHOW OFFICE: has changed location it will be in the infield in the White Trailer,

You will be able to unload horses and equipment at Barn 7, Then please move your trailer to the infield, toward the north end, we will have use of two warm up rings, the Sand Ring, and the North Ring, which will have a good access to the **new location of Hitching Ring at the North end of the Grandstand.**

to enter the infield with your truck and trailer, you will need use the gate in the southeast corner, to cross the track, immediately to the right when coming through Cuyler Road Gate, there is also a road that will take you to the north end if you wish to park near the North warm up ring.

These changes are to provide a safer area for people walking and on horses from the Barn area to arena, and to avoid the possibility of animal and equipment colliding.
