VOLUNTEER POWER

The true 'horsepower' of the Medicine Hat Exhibition & Stampede is the over 500 volunteers who offer their time and energy to ensure our rodeos, parade, concerts and countless forms of free entertainment come alive at the end of July. The commitment is spread throughout the year with the Broncs & Honky Tonks Indoor Spring Rodeo, the WPCA Chuckwagon races, Enerplus Olde Tyme Christmas Fair and Christmas Farmers' Market plus the Zoetis Beef Pen Show.

Steeped in tradition, the Medicine Hat Exhibition & Stampede remains true to its roots of western heritage while embracing the excitement of today! Whether your family has been here for five generations or you moved here recently, the Stampede considers you part of our family. Please accept our volunteers' invitation to experience the 2022 Medicine Hat Exhibition & Stampede.

BOB RIDLEY

Bob Ridley is the Medicine Hat Tigers longtime broadcaster who had missed only one game in 51 seasons of Tigers hockey before having to step back until the final game of the 2021-22 season due to cancer treatments. Ridley has called a game in every season of Tigers history and was set to reach the 4,000th game milestone in 2020 before COVID pushed his big game to March 21, 2021. The one time bus driver of the Tigers was honoured last season with a banner hung in Co-op Place. The Western Hockey League has created an award in the 77-year-old's name, the Bob Ridley Award for Media Excellence, which is to be presented annually to a distinguished member of the radio, television, and print journalism industry in recognition of their outstanding contributions to sports journalism and the WHL. Ridley was the first recipient.
