VOLUNTEER POWER

It's no secret that the Medicine Hat Exhibition & Stampede relies on the support of a robust and diverse group of more than 500 volunteers to keep all aspects of our Summer Stampede – as well as our various other annual events – running like a well-oiled machine. These selfless members of our community consistently contribute their time and energy to our numerous committees, from the parade all the way through to the rodeos and concerts – when you see a volunteer on our grounds, don't forget to shoot 'em a smile.

The Medicine Hat Exhibition & Stampede is steeped in more than 135 years of tradition and remains true to its roots of Western heritage while embracing all the excitement of today! Whether your family has been here for five generations or just moved here last week – you're a member of the Stampede family. Please accept our volunteers' invitation to experience all the thrills and wonder of the 2024 Medicine Hat Exhibition & Stampede.
