All Committee members must read, acknowledge receipt, and confirm their understanding of this policy. If clarification is needed, members should contact the Chair. Acknowledgment must be documented by the Chair.

Meetings will be held at least once per month and require a quorum for voting. Once approved by the Chair, meeting minutes will be submitted to the General Manager (GM).

Confidentiality:

Committee members are prohibited from sharing or discussing any information from Committee meetings with anyone outside the Committee. The Committee Chair will be responsible for communicating official matters to the Board of Directors.

Volunteer Agreement:

All members must sign and submit the Volunteer Handshake Agreement to the Chair, who will forward it to the MHES Office. This ensures understanding of the Committee's purpose and MHES values.

Committee Purpose and Responsibilities:

The Committee is responsible for organizing the annual contest, training and outfitting the Queen and Princess, developing an itinerary for the year, and ensuring the Royalty are fully prepared to represent the MHES at events.
